

Roast Beef Bag

EXTENDO® XTMU

EXTENDO® XTMU is a high glossy, transparent BoPP film which provides excellent protection thanks to ultra high oxygen barrier and excellent moisture, aroma and mineral oil barrier.

	Traditional Packaging	EXTENDO® Innovative Packaging
	PA 20 µm	TNS 20 µm
	Alu 8 µm	EXTENDO® XTMU 30 µm
	CPP 75 µm	CPP 75 µm
Unit Weight	112.9 g/m ²	113.7 g/m ²

Advantages:

- PP based barrier solution, suitable for plastic collection (PP 5)
- Easier recycling compared to traditional multimaterial packaging
- Ideal replacement of Alu foil or metPET for transparent ultra high gas barrier
- Designed for Vacuum Packaging
